## About **Company**

PT. Issam Java Nusantara is a Madiun-based company in East Java, Indonesia, specializing in the production and export of handcrafted woven bags made from jali and premium agricultural products, such as raw cashew nuts and cloves. Founded with the vision of merging traditional Indonesian craftsmanship with global markets, we are committed to delivering high-quality, ethically produced goods.

Our woven bags are created by skilled local artisans using eco-friendly jali fibers, ensuring that each product is both durable and sustainably made. Meanwhile, our cashew nuts and cloves are sourced from local farmers, emphasizing organic farming practices to ensure the highest standards in taste, quality, and environmental responsibility.

At PT. Issam Java Nusantara, we are dedicated to supporting local communities and promoting sustainable practices. By working closely with artisans and farmers, we create fair trade opportunities that uplift the region while offering products that meet the needs of our international clientele.

# Vision & Mission

## *Vision*

To create and market high-quality, superior products that reflect Indonesia's local wisdom.

## *Mission*

To provide excellent service and work in collaboration with full responsibility.

# Our Main **Products**

At PT. Issam Java Nusantara, we are proud to offer two key product categories, each reflecting the unique heritage and natural resources of Indonesia

## **Creative Products**

### **Woven Bags Made from Jali**

Our handcrafted bags, made from natural jali fibers, represent the perfect blend of traditional craftsmanship and modern design. These bags are eco-friendly, durable, and can be customized based on consumer preferences.

## **Agricultural Products**

### **Raw Cashew Nuts and Cloves**

We work closely with local farmers to produce premium quality raw cashew nuts and cloves. These agricultural products are harvested with care to maintain their natural flavors and nutritional benefits. Both cashews and cloves are highly sought after in international markets for their superior quality.

# Handcrafted Woven Bags

Our woven bags are crafted from jali—a natural fiber known for its flexibility and durability. These bags feature a smooth texture, a shiny surface, and are surprisingly flexible yet thick. Each bag is designed with long-lasting use in mind, making them both stylish and practical for everyday wear.

We offer a wide range of patterns and designs, tailored to meet customer demands. Whether you're looking for a branded product or prefer white-label options, we can accommodate your needs. Our bags can be made with or without a label, depending on your preference.

## Key Features:

- Smooth texture
- Shiny and flexible, yet thick
- Customizable designs
- Durable for long-term use
- White-label or branded options available

# Raw Cashew Nuts

At PT. Issam Java Nusantara, we source premium-quality raw cashew nuts directly from local farmers in East Java. These cashews are carefully harvested and processed to retain their natural flavor and nutritional value. Our cashews are known for their large size, rich taste, and high nutritional content, making them a top choice for international markets.

## Nutritional Benefits:

- Rich in healthy fats and protein
- High in vitamins E, K, and B6
- Great source of minerals like magnesium and zinc

# Premium Cloves

Our premium cloves are harvested from the fertile lands of East Java, known for producing some of the finest cloves in the world. These cloves are hand-picked and sun-dried to preserve their rich aroma and flavor. Cloves from PT. Issam Java Nusantara are widely used in the spice industry, as well as in traditional medicine and aromatherapy.

#### Key Benefits:

- High-quality, aromatic cloves
- Ideal for culinary use, medicine, and aromatics
- Sourced from trusted local farmers

# Sustainability & Community Impact

At PT. Issam Java Nusantara, sustainability is at the heart of everything we do. We work closely with local farmers and artisans to ensure eco-friendly production practices. From using natural, biodegradable materials for our woven bags to supporting organic farming methods for our cashew nuts and cloves, we are committed to protecting the environment.

Additionally, we engage with local communities by providing fair wages and supporting small-scale farmers, ensuring they benefit from our global success.
